

2018 BALLOT MEASURE GUIDE

NO!

103 : Corporate Tax Breaks

✗ Amends the state Constitution to give a permanent tax break to “grocery” corporations, preempting necessary revenue for state and local programs.

104 : Welfare For The Rich

✗ Amends the state Constitution to require a three-fifths majority if raising revenue through changes to tax exemptions, credits and deductions.

105 : Anti-Immigrant

✗ Repeals the state law prohibiting police from working with agencies like I.C.E., leading to increased racial profiling and harassment of immigrants and people of color.

106 : Cuts Abortion Funding

✗ Prohibits state funds from being used for abortions, reducing access to reproductive health care for low-income individuals and families.

YES!

26-201 : Portland Clean Energy Fund (PCEF)

✓ 1% business licensing surcharge on retail corporations with over \$1 billion in annual sales and at least \$500,000 in Portland sales. Creates \$30 million for clean energy and clean energy jobs in Portland to weatherize homes, install solar and other renewable energy projects, provide job and contractor training, expand local food production and build green infrastructure. Projects will also be prioritized around low-income communities and communities of color.
